Join the FRPT 2024 networking events, meet with colleagues, make connections and enjoy your stay in Rome. For more details on schedules and tickets, please view our [Networking Events](#) page or approach us at the Registration Desk onsite.Support from pharmaceutical partners helps make this event possible. As such, it is important that we comply with the various codes and directives relating to the manufacturing, distribution, and marketing of pharmaceutical products. The European Union directive (2001/83/EC, article 86) provides guidelines relating to medicinal products for human use. Within these guidelines is the restriction that access to pharmaceutical product marketing activities must be limited to only those participants licensed/authorised to prescribe or supply medicinal products. All participants, with the exception of the exhibitors, are asked the following question during registration: Are you licensed/authorised to prescribe or supply prescription only.
